## Introduction of Corporation

**VERITAS Engineering & Consultant (VEC)** is one of the leading consultancy, construction, and DIFE (Department of Inspection & Factory Establishment of Peoples Republic of Bangladesh) enlisted developer firm in Bangladesh, working in those services relate to design, construction, safety, compliance and improvement of Quality Health Safety, Environment, Social Accountability and including conformity assessment services, such as verification of quality of materials, equipment and assets, safety of installations, environmental protection and social accountability of businesses as well as verification, assessment, design, drawing, safety assessment of structural Integrity for seismic vulnerability, electrical and fire issues. We had launched business from the year 2007 as partnership firm as a sister concern of Veritas Group. **VEC** is an independent, objective oriented and committed team of highly qualified Structure, Fire & Electrical Engineers dedicated to set a benchmark in the professional field. We are playing a pioneer role in providing engineering solutions with excellence in our country. We are always innovative and maintain quality in order to meet the needs of our clients as well as our ethical value.

**VEC** also performs consulting for aspects related to asset integrity management, including risk based assessment, corrosion management, life-cycle evaluations, RAM analysis and maintenance solution advisory.

Our firm fully recognizes the importance of protecting the National ecosystem, minimizing our environmental footprint and reducing the use of natural resources by offering and encouraging business solutions in ways that support responsible and sustainable development. **VEC** is committed to continuous improvement of its environmental performance to minimize its impact on the environment and we are encouraging our employees and business partners to do the same.

We develop solutions to assist clients in managing and mitigating risk on large infrastructure projects. This ultimately contributes to enhanced project performance through improved overall quality, reduction in project delays and the minimization of re-work. Through our technical and regulatory expertise, **VEC** adds value to every client engagement and often, through the conformity assessment process, our services represent a maximization of the years of operational life of a given facility.

We have our own Engineering team, who are able to make flexible and readily adjustment to any structural design, assessment and evaluation for the Structural, Fire and Electrical safety issues, as per Standard of Bangladesh National Building Code (**BNBC**), **ACI** Code, National Fire Protection Authority (**NFPA**), **NI** (National Initiative by **ILO & DIFE**), Alliance and ACCORD. We have a huge experience in audit, assessment and detail with seismic vulnerability assessment of R.C.C and Steel Structures in Industrial & Commercial Sector.

### **Our Vision**

- ◆ Our main goal is to set a benchmark in the professional field.
- ◆ To play a pioneer role in providing Engineering solutions with excellence.
- ◆ Always committed to be innovative and maintain quality in order to meet the needs of our clients.
- ◆ To be caring and trustworthy for our stakeholders like our clients, employees and society in general.

### **Our Mission**

- ◆ To provide International standard services using best talents from home and abroad.
- ◆ To provide peerless services regarding engineering solutions as per our clients' desires.
- ◆ We are committed to work professionally and ethically with our honorable clients delivering quality services for the development of viable successful and sustainable projects.
- ◆ We are committed to develop high-end technology solutions with constant innovation, continuous Improvement and value added services.
- ◆ To develop and deliver value system to the clients with quality and reasonable cost with a focus on rapid progress.

## **Our Specialization**

We have our own team of highly qualified Structural Engineers & Own design section & Lab Facilities.

- ❑ Highly experienced & Regular trained up engineering team as per
  - ♣ BNBC (Bangladesh National Building Code)
  - ♣ ACI (American Concrete Institution)
  - ♣ ASTM (American Society for Testing and Materials) &
  - ♣ NTPA (National Tripartite Plan of Action) for RMG Guideline.
- ❑ Having huge working experience in Structural, Electrical and Fire Assessment & Detail Structural Assessment works as per RMG Guideline, BNBC, NFPA & NTPA standard.
- ❑ Having modern test instrument for NDT/SDT test as below
- ❑ Having modern test instrument for Electrical Test as below
- ❑ Professional workmanship.

## **Incorporation**

**VERITAS Engineering & Consultant (VEC)** is a wholly owned subsidiary of **VERITAS Group**. The company was registered in Joint Stock Company as a Limited Entity in **WHOLLY OWNED SUBSIDIARY** of **VERITAS GROUP**. Subsequently it's other sister concerns are:

- ❑ **VERITAS Technologies Ltd. (VEC)**
- ❑ **VERITAS DEVELOPMENT & CONSULTANT LTD.**
- ❑ **OPTIMUM Living Ltd.**
- ❑ **STANDARD Design & Construction.**
- ❑ **TOTO POWER Engineering**

## Details of Single Entity

Name of the company : **VERITAS Engineering & Consultant (VEC)**  
Company of Origin : Bangladesh  
Own Address : **Apon Heights**, Level-13A, 27/1/B, Road # 03,  
Shyamoli, Dhaka-1207

## Corporate Address

House No : Level 13A, 27/1/B, Road # 03, Shyamoli, Dhaka-1207  
TIN Number : 421729382954  
Trade License Number : 05-61570  
Year of the Incorporation : 2007  
VAT Registration Number : 000010544  
Tax Area : Dhaka.  
Nature of Work : Consultancy, Construction & Supervision  
Contact Number : +880-1705402222, +880-1705402200.  
Mail Address : [veritastechno@gmail.com](mailto:veritastechno@gmail.com)

## Our Business Morals

- Quality
- Commitment
- Professionalism
- Services

## Achievements of **VEC**

- ❑ **VERITAS Engineering & Consultant (VEC)** has been accomplished & successfully completed a project for the assessment of Structural integrity, Electrical and Fire safety of RMG sector, under the National Initiative (NI) supported by International Labour Organization (**ILO**) & **DIFE** of Peoples Republic of Bangladesh Government. In this project, over **1900+** safety assessments, **2100+ CAP** Follow up & **725 CAP** Validation have been successfully completed, which is the highest number of assessment completed by a single enterprise in Bangladesh.
- **VEC** has been enlisted as an **Inspection Firm** for Structural Integration, Electrical & Fire safety of **Peoples Republic of Bangladesh**.
- ❑ **VEC** has successfully completed a large number (**200+ ACCORD, ALLIANCE & DIFE**) of Detailed Engineering Assessment (**DEA**) with Seismic Vulnerability evaluation, Analysis, Layout, Design & Reporting for Structure, Electrical & Fire safety in Industrial, Commercial & Residential Sector.
- ❑ **VEC** has successfully completed a large number (**more than 25**) Construction Project in Industrial, Commercial & Residential Sector.

## Our Large Stakeholders (Local & International)

We have vast working experience with below Local & International Stake holders.

 <p>International Labour Organization</p>	
	ARUP <sub>of UK</sub>
 <p>Diabetic Association of Bangladesh</p>	
	

## **Experience/Achievements Other Than RMG Sector**

**VERITAS Engineering & Consultant (VEC)** has successfully completed structural and Architectural Planning, Design, Drawing & Construction of various types of RCC and Steel structures of the following authorities:

- Trading Corporation of Bangladesh.
- BIRDEM (Diabetic Association of Bangladesh)
- Bangladesh Chemical Industries Corporation (BCIC)
- Water Development board of Bangladesh.
- Bangladesh Export processing Zone Authority.
- Supplier audit for Garments and Textile industries.
- Khulna City Corporation
- The City Bank Ltd.
- Rupayan Group

## Our Services

- Detail Engineering Assessment (DEA).
- Preliminary Assessment on Structural Integrity, Electrical & Fire Safety.
- Energy Efficiency Audit.
- Corrective Action Plan (CAP) management of Accord, Alliance & DIFE
- Fire prevention & protection system design Installation.
- Complete electrical solution for new & existing building.
- Consultancy of GREEN factories for LEED certified under USGBC
- Architectural & Structural design of R.C.C & Steel Structures.
- Construction & Supervision of R.C.C. & Steel Structures
- Design, Drawing & installation for lightning protection system (LPS), SLD, ELD
- All kind of Electrical testing (Thermal, Insulation, Earth resistance etc.)
- All kind of Structural NDT/SDT-Ferrosan , Hammer, UPV, Core cutting & Soil Test.
- Environmental & Social Impact Assessment
- Pile Load Test (PLT), Pile Integrity Test (PIT)

### ➤ **Testing :**

- ❑ All Kind of Testing for amending RCC Building & electrical safety.
- Semi Destructive Test (SDT) i.e. Core cutting,
- Non Destructive Test (NDT) i.e. Ultra pulse Velocity (UPV)
- Ferro Scanning of Column, Beam and Slab for Rebar Detection
- Rebar test (Tensile strength test
- Thermal & Insulation test
- Pile Load Test (PLT
- Pile Integrity Test (PIT)
- Soil test

## VEC Training Facilities

- ❑ Factory/Building Load Management.
- ❑ TOTAL Compliance management for safety issues.
  - ◆ Structural
  - ◆ Electrical &
  - ◆ Fire

## Our Logistical Equipment's for DEA & Testing

We work with the following necessary Tools given below. All the equipment's have 05 different sets.

### **Ferro Scanner (Hilti, & china):**

### **UPV (Proceq PL200, Switzerland):**

### **Core Cutter**
